### SAFETY KIT ARG 30

SET-222120-15 / SAFETY KIT ARG 30 - This high-quality complete set for trade and industry includes a high-performance full harness and a length-adjustable fall arrester. The ARG 30 harness is an all-rounder for maintenance work and construction. It is light, straightforward and yet provides maximum security. The MAGIC fall arrester ensures safe and flexible positioning at work so that both hands can be kept free. It can be used as a guided fall arrester or as a guy rope. It can withstand edges, is wear-resistant and remains soft and flexible even when wet. Both can be stored in the practical ROPE BAG.
